Is Your Life Policy Keeping Up With Your Life?

A policy review can help make sure your life insurance is up to date

While your life has changed in countless ways, your life insurance may have remained the same—silently protecting you and your loved ones. However, you may find that you now have additional needs to protect.

YOUR CURRENT COVERAGE MAY NOT BE ENOUGH IF:

- You added a new member to the family.
- You recently made a big purchase (especially a new house).
- You changed jobs or received a promotion.
- You recently got married.
- You started or continue to grow a small business.
- You have children in college.
- You have an elderly parent who is now dependent on you.
- You recently retired and want to plan your estate.

Let's get together and review your coverage. It's also a great time to make any needed beneficiary changes! Call me about scheduling a policy review!

Policies contain exclusions, limitations, reductions in benefits, and terms for keeping them in force. A financial professional can provide you with costs and complete details.

Life insurance is issued by The Prudential Insurance Company of America and its affiliates. All are located in Newark, NJ, and each is solely responsible for its own financial condition and contractual obligations.
