

# GROUP INSURANCE INTERNET SERVICES SIGN-UP FORM

## INSTRUCTIONS

- **Step 1: Account Level Information**

Your Prudential resource will prepopulate the information known to them, prior to releasing this form to you. Please supply any additional information and the authorizer's signature at the top of the form.

The authorizer is the individual who can determine which employees should have internet access to their plan data, typically Human Resources or a benefits manager. For security reasons, once a year this person will be required to perform a review of current users with access to their plan data.

- **Step 2: User Access Information & Internet Services Access**

Please complete a row for each user that should have access to the information on the Prudential Employer Portal.

### Individual Information Required to establish access to the Employer Portal:

- **Full Name: Format: First, Last.**
- **Last 4 SSN/PIN:** Four-digit number that the user has provided and will remember. Used for authentication purposes such as password resets. It should be noted that if another number is chosen, and a password reset is needed, the prompt will be the last four of SSN.
- **Telephone Number:** Used for authentication and claim filing.
- **Email Address:** Address used when creating the ID and forward the newly created User ID and password along with available reports. Generic email addresses should not be used for multiple users as this could result in a privacy violation.
- **Relevant Date:** This date is used for authentication during password resets.
- **Relevant Date Description:** This information is used to prompt the recall of the relevant date when authentication is needed. (e.g. Birthday/Wedding Anniversary)

Employer Portal Area	Access Allows Users To:
<b>Onboarding and Document Center:</b>	View onboarding and other administrative materials. Can be restricted by one or more of the following: contracts only, contracts and certificates, certificates only, and or administrative materials only.
