### RELATIONSHIPS AND SERVICES

#### What investment services and advice can you provide me?

**Description of Services:** PIMS offers brokerage services in limited circumstances. ### Ask Your Financial Professional

- Given my financial situation, should I choose a brokerage service?
- Why or why not?
- How will you choose investments to recommend to me?
- What is your relevant experience, including your licenses, education and other qualifications?
- What do these qualifications mean?

### FEES, COSTS, CONFLICTS, AND STANDARD OF CONDUCT

#### What fees will I pay?

**Description of Fees and Costs:** PIMS does not charge any fees or costs for the Jennison Private Fund, the PPC Private Funds, PGIM Real Estate Private Funds, and PGIM Fixed Income Private Funds.

**Additional Information:** You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

### Let's Talk: Ask Your Financial Professional

Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

**What are your legal obligations to me when providing recommendations? How else does your firm make money and what conflicts of interest do you have?**

**Standards of Conduct:** When we provide you with a recommendation, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about potential conflicts because they can affect the recommendations that we provide you. Here are some examples to help you understand what this means:

- **Proprietary Products:** These generate more revenue to us or an affiliate than investments issued by third parties. We have an incentive to emphasize them.
- **Revenue Sharing:** An investment manager or sponsor or another third-party shares revenue with us.

### Let's Talk: Ask Your Financial Professional

How might your conflicts of interest affect me, and how will you address them?

***Additional Information:** For more information about our conflicts of interest, see the “Fees, Costs, Conflicts, and Standard of Conduct” discussion above.*

**How do your financial professionals make money?**

**Description of How Financial Professionals Make Money:** Compensation of FPs involved with the Jennison Private Fund, PPC Private Funds or the PGIM Fixed Income Private Funds is influenced by, but not directly tied to, the sales and retention of interests in the funds. FPs involved with the PGIM Real Estate Private Funds receive a salary and bonus and, where allowed by local regulations, sales commissions.
