# Q2 2026 Index Account Changes

## Q2 2026 Index Account Changes

At Prudential, we are committed to maintaining financial discipline and continue to review hedge budgets and hedge costs that impact index accounts offered on currently sold and no longer sold products.

Our recent hedge budget and hedge cost experience allow the opportunity for increased caps across many of the index account and buffered strategies across our portfolio.

These changes will be effective for index segments starting **April 15, 2026**. Please see below for the complete list.

If you would like more information or to obtain a new business illustration, please contact the national sales desk at **1-800-800-2738 Option 1**.
