“Settlement Agreement”: _____
(Date and title of settlement agreement, order, or other document embodying the Assignor’s obligation to make the agreed periodic payments)

“Prudential”: The Prudential Insurance Company of America “Effective Date”*: _____

“Annuity(ies)”*: Certificate No(s). _____

(*To be completed by Prudential.)

This Qualified Assignment and Release Agreement is made and entered into as of the Effective Date by and among the undersigned parties with reference to the following facts:

- A. Claimant(s) and Assignor are parties to or are otherwise subject to or entitled to receive payments under the above referenced Settlement Agreement, under which Assignor has liability to make certain periodic payments to or for the benefit of Claimant(s) as specified in Addendum No. 1 of this agreement (the “Periodic Payments”); and
- B. Assignor and Assignee wish to effect a “qualified assignment” within the meaning and subject to the conditions of Section 130(c) of the Internal Revenue Code of 1986, as amended (the “Code”).

Now, therefore, in consideration of the foregoing and for other good and valuable consideration, the parties agree as follows:

1. **Assignment and Assumption; Release of Assignor.** Assignor hereby assigns to Assignee, and Assignee hereby accepts and assumes, all of Assignor’s liability to make the Periodic Payments. Each Claimant hereby accepts and consents to such assignment by Assignor and assumption by Assignee. Effective on the Effective Date, each Claimant hereby releases and discharges Assignor from all liability to make the Periodic Payments.
2. **Nature of Periodic Payments.** The Periodic Payments constitute:
 - i. Damages (other than punitive damages), whether by suit or agreement, or
 - ii. Compensation under a workers’ compensation act,on account of personal injury or sickness in a case involving physical injury or physical sickness, within the meaning of Sections 130(c) and 104(a) of the Code.
3. **Extent of Assignee’s Liability.** Assignee’s liability to make the Periodic Payments shall be no greater than the liability of Assignor immediately prior to the Effective Date. Assignee assumes no liability other than the liability to make the Periodic Payments. Assignee’s liability to make the Periodic Payments shall be unaffected by any bankruptcy or insolvency of Assignor.
4. **Qualified Funding Asset.** Assignee will fund the Periodic Payments by purchasing from Prudential a “qualified funding asset,” as defined in Section 130(d) of the Code, in the form of an annuity contract (the “Annuity”) issued

by Prudential and providing for payments corresponding to the Periodic Payments. Assignee shall be designated as the owner of the Annuity. All rights of legal ownership and control of the Annuity shall (subject to paragraph 9 of this Agreement) be and remain vested exclusively in Assignee; provided, however, that the Annuity shall be used by Assignee to fund the Periodic Payments and shall at all times be designated by Assignee on its records as being taken into account, under Section 130 of the Code, with respect to this Agreement. Notwithstanding anything to the contrary contained in this Agreement, neither any Claimant nor any Successor Payee (as defined in paragraph 8 of this Agreement) shall have any rights with respect to the Annuity or the payments thereunder that would cause any amount attributable to the Annuity to be currently includible in the recipient's income or would otherwise affect the determination of when any recipient is treated as having received any payment for income tax purposes, or would otherwise prevent this Agreement from satisfying all of the conditions for a "qualified assignment" within the meaning of Section 130(c) of the Code.

5. **Delivery of Payments.** Assignee may have Prudential send payments directly to a Claimant, or, if applicable, to a Successor Payee, or deliver payments by electronic funds transfer to an FDIC-insured depository institution in the United States for credit (directly or indirectly) to an insured account in the name of such Claimant or Successor Payee. Such direction of payments under the Annuity shall not be deemed to afford the Claimant or any Successor Payee any rights of ownership or control of the Annuity. Each Claimant and any Successor Payee shall at all times keep Annuity Issuer apprised of such Claimant's or Successor Payee's current street address and telephone number and, if such Claimant or Successor Payee receives payments by electronic funds transfer, the name, address, bank identifier number (BIN), and telephone number of the applicable depository institution and the account number of the account to which the payments are to be credited.
6. **Discharge of Liability.** The Assignee's liability to make each Periodic Payment to the Claimant or Successor Payee designated to receive such payment shall be discharged automatically at such time as a corresponding payment is made to such Claimant or Successor Payee by Prudential.
7. **Acceleration, Transfer of Payment Rights.** None of the Periodic Payments and no rights to or interest in any of the Periodic Payments (all of the foregoing being hereinafter collectively referred to as "Payment Rights") can be:
 - i. Accelerated, deferred, increased, or decreased by any recipient of any of the Periodic Payments; or
 - ii. Sold, assigned, pledged, hypothecated, or otherwise transferred or encumbered, either directly or indirectly, unless such sale, assignment, pledge, hypothecation, or other transfer or encumbrance (any such transaction being hereinafter referred to as a "Transfer") has been approved in advance in a "Qualified Order" as defined in Section 5891(b)(2) of the Code (a "Qualified Order") and otherwise complies with applicable state law, including without limitation any applicable state structured settlement protection statute.

No Claimant or Successor Payee shall have the power to effect any Transfer of Payment Rights except as provided in sub-paragraph (ii) above, and any other purported Transfer of Payment Rights shall be wholly void. If Payment Rights under this Agreement become the subject of a Transfer approved in accordance with sub-paragraph (ii) above, then the rights of any direct or indirect transferee of such Transfer shall be subject to the terms of this Agreement and any defense or claim in recoupment arising hereunder.

8. **Beneficiaries.** Any Periodic Payments to be made after the death of any Claimant or Successor Payee shall be made to such party as shall have been designated in, or in accordance with, the Settlement Agreement or, if the Settlement Agreement does not provide for such designation, then to the party designated in conformity with this paragraph 8. Any party so designated is referred to in this Agreement as a "Contingent Beneficiary." If no Contingent Beneficiary is living at the time of the death of a Claimant or Successor Payee, payment shall be made to the decedent's estate. As used in this Agreement, the term "Successor Payee" refers to a Contingent Beneficiary or an estate that has become entitled to receive Periodic Payments following the death of a Claimant or a Successor Payee. Except as otherwise provided in the Settlement Agreement, no designation or change of designation of a Contingent Beneficiary shall be effective unless such change (i) is requested in a written request submitted to Assignee (or its authorized agent) in accordance with Assignee's customary procedures for processing such requests; and (ii) is confirmed by Assignee (or its authorized agent). Except for a designation that is expressly identified in the Settlement Agreement as irrevocable, any designation of a Contingent Beneficiary shall be deemed to be revocable; and no party that is designated as a Contingent Beneficiary (other than a party irrevocably designated as a Contingent Beneficiary in the Settlement Agreement) shall, solely by virtue of its designation as a Contingent Beneficiary, be deemed to have any cognizable interest in any Periodic Payments.

9. **Failure of Settlement Agreement.** If at any time prior to completion of the Periodic Payments, the Settlement Agreement is declared terminated in a final, non-appealable order of a court of competent jurisdiction (or in the case of a workers' compensation settlement, a final order of the applicable workers' compensation authority): (i) the assignment by Assignor to Assignee of the liability to make the Periodic Payments, Assignee's acceptance of such assignment, and the release by Claimant(s) of Assignor's liability shall be of no force or effect; (ii) Assignee shall be conclusively deemed to be acting as the agent of Assignor; (iii) the Annuity shall be owned by Assignor; (iv) Assignee shall have no liability to make any Periodic Payments; and (v) the parties hereto agree to cooperate in taking such actions as may be necessary or appropriate to implement the foregoing.

Failure to Satisfy Section 130(c). If at any time prior to completion of the Periodic Payments, it is conclusively determined that the requirements of Section 130(c) of the Code have not been satisfied in connection with this Agreement in a final non-appealable ruling or order: (i) the assignment by Assignor to Assignee of the liability to make the Periodic Payments, Assignee's acceptance of such assignment and the release by Claimant(s) of Assignor's liability shall be of no force or effect; (ii) Assignee shall be conclusively deemed to be acting as the agent of Assignor; (iii) the Annuity shall be owned by Assignor, which shall retain the liability to make the Periodic Payments; (iv) Assignee shall have no liability to make any Periodic Payments; and (v) the parties hereto agree to cooperate in taking such actions as may be necessary or appropriate to implement the foregoing.

10. **Governing Law; Disclosure of Certain Tax Information; Binding Effect.**

- i. This Agreement shall be governed by and interpreted in accordance with the internal laws of the State of New Jersey, provided, however, that any Transfer of Payment Rights under this Agreement may be subject to the laws of other states in addition to the state designated above.
- ii. This Agreement shall be binding upon the parties hereto and their respective successors, heirs, executors, administrators, and permitted assigns, including without limitation any party asserting an interest in Payment Rights.

11. **Advice, Comprehension of Agreement.** In entering into this Agreement, each Claimant represents and warrants that (i) such Claimant has relied solely upon the legal and tax advice of such Claimant's own attorneys and other advisors, who are the attorneys and advisors of such Claimant's choice, concerning the legal and income tax consequences of this Agreement; and (ii) the terms of this Agreement have been completely read by and explained to such Claimant and are fully understood and voluntarily accepted by such Claimant.

12. **Counterparts and Electronic Signatures.** Facsimile and electronic signatures on this Agreement and any amendments thereto, shall have the same force and effect as originals and this Agreement and any amendment thereto, may be executed in duplicates and counterparts, each of which will be effective as an original for all purposes under the Agreement.

IN WITNESS WHEREOF, this **Qualified Assignment and Release Agreement** is executed in one or more counterparts as of the Effective Date by each of the following:

**PLEDGE SUPPLEMENT
to the
QUALIFIED ASSIGNMENT AND RELEASE AGREEMENT
("AGREEMENT") Dated as of**

Assignee hereby agrees as follows:

1. Assignee desires to grant each Claimant a security interest in any Annuity purchased to fund Periodic Payments on the terms and subject to the conditions set forth herein, as security for the obligation of Assignee to make such payments.
2. Assignee hereby pledges and grants to each Claimant, unless excluded by the Agreement, a lien on and security interest in all of Assignee's right, title, and interest in the Annuity purchased to fund Assignee's obligations to such Claimant (the "Pledged Annuity") under the Agreement. The Pledged Annuity secures the obligation of Assignee to make such Periodic Payments.
3. Assignee shall have all ownership and control rights in the Pledged Annuity (including the right to receive and retain all benefits thereunder), which are not inconsistent with the security interest. No Claimant or Beneficiary shall have any right to anticipate, sell, assign, pledge, encumber, or otherwise exercise any right with respect to the Pledged Annuity, as long as Assignee has not breached its obligation to make the payments secured thereby. If such breach occurs and is continuing, Claimant shall have all of the rights and remedies of a secured party under laws then in effect in the State of New Jersey.
4. The Pledged Annuity Certificate will bear a legend substantially as follows:

NOTICE

This Annuity Certificate has been delivered to the possession of Claimant for the sole purpose of perfecting a lien and security interest of such person in this Certificate. Claimant is not the Owner of, and has no ownership rights in, this Certificate and shall have no right to (i) accelerate, defer, increase, or decrease any payments due hereunder; (ii) anticipate, sell, or absolutely assign, by any means, regardless of form, any right to receive payments from Assignee, both directly and through its security interest in this Annuity Certificate; or (iii) pledge, collaterally assign, grant any security interest in, encumber, or otherwise use any right to receive such payments and/or any security interest in this Annuity Certificate as any form of collateral.

5. All provisions of the Agreement not inconsistent with this Pledge Supplement are hereby incorporated and included in this Pledge Supplement.
